CREATE A COMMANDING STATEMENT.

The BMW X6 is more than a car – it's a statement waiting to be seen. And with BMW M Performance Parts, you can make it even stronger.

Inspired by decades of motorsport success and tailored perfectly to your vehicle, each part is designed to make a superior impression. So you never have to compromise on style.

BMW M PERFORMANCE
CARBON FRONT SPLITTER.

[01] Our latest upgrade for your BMW X6. This new 100% carbon front splitter takes the exclusive appearance of your car to assertive new heights.

BMW M PERFORMANCE
CARBON AIR INLET TRIMS.

[02] Make your BMW X6 standout in motorsport style with these aesthetic highlights.

03

BMW M PERFORMANCE
CARBON REAR SPOILER.

[03] All eyes are on this aerodynamically optimised carbon spoiler.

04

BMW M PERFORMANCE
ARAMID FIBRE ANTENNA COVER.

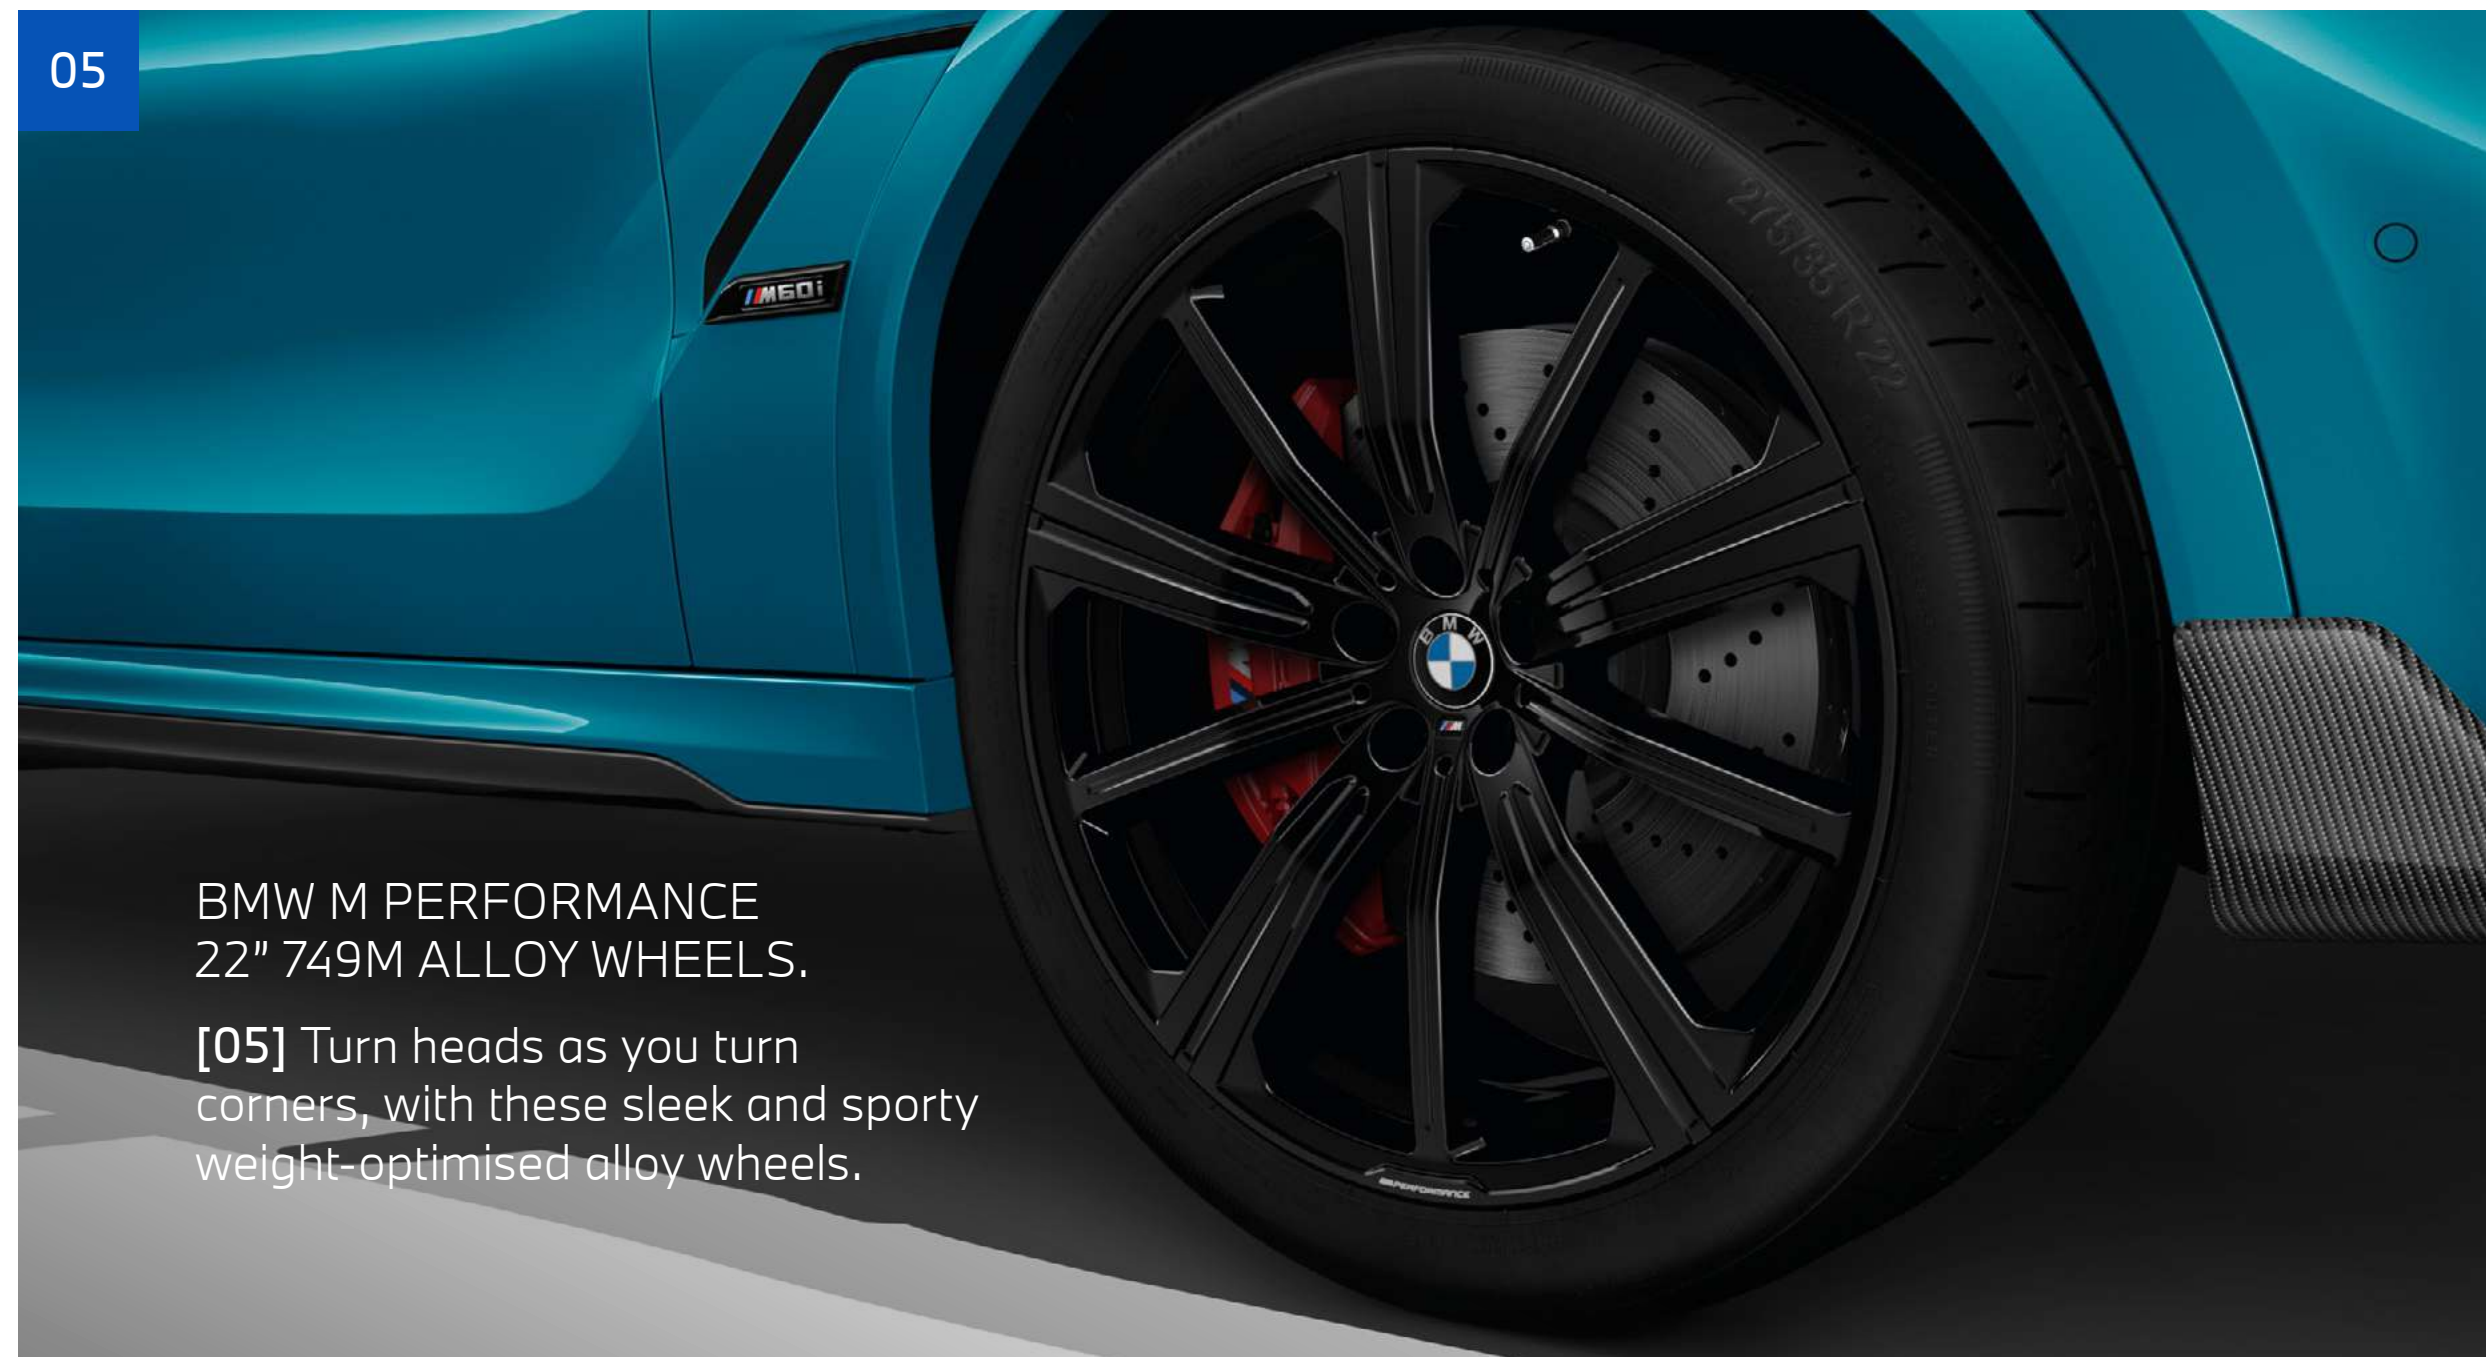

[04] Made with sleek and durable aramid fibre, this antenna cover creates an unmistakably dynamic presence.

05

BMW M PERFORMANCE
22" 749M ALLOY WHEELS.

[05] Turn heads as you turn corners, with these sleek and sporty weight-optimised alloy wheels.

06

BMW M PERFORMANCE
STEERING WHEEL.

[06] Experience motorsport history in your interior with this iconic steering wheel, featuring our famous racing centre mark and a professional Alcantara grip. Carbon elements sold separately.

07

BMW M PERFORMANCE
CARBON REAR DIFFUSER.

[07] Command a sense of power and then take it to the next level with this impressive carbon rear diffuser.

TAKE YOUR
BMW X6 TO
ANOTHER
LEVEL.
